- Product shares are only open to US residents.
- Please visit www.stampwithbrian.com/2014shares to reserve a seat in any or all of these shares.
- Swatch books are available for purchase directly through a PayPal link on my blog. All shares must be requested through a form on my blog as I must fill a share before collecting any money. If you want swatch books AND a share, please make the request (rather than selecting both options). I will promptly send you a PayPal invoice for both when the share fills.
- Once a share is filled, I will send you a PayPal invoice. It’s important that you pay the invoice as soon as possible so that I can order the products and get them mailed out in a timely fashion. I will accept checks from my Stampin’ Up! customers or team members. If you can only pay with a check, please email me at stampwithbrian@gmail.com to discuss ahead of time.
- While I will make every attempt to mail out these product shares around within a week of receiving the product, please allow two weeks for delivery.
